MARCH 2025

FROM REGIONAL INDIAN CLASSICS TO REFINED PALATES

Reliability, ease and convenience are the hallmarks of Custom Culinary® Master's Touch®. Foolproof ready-to-serve products from Master's Touch® are aimed at segments where the skill level of food preparers best fits simple assembly of meals. But quality is never sacrificed in the name of efficiency.

Custom Culinary® Chef's Own™ products are perfect for foodservice segments where food is required for larger numbers and the pressure to create and assemble consistently good meals, efficiently and expertly, is constant. These products make the process functional and foolproof—think of it as culinary paint-by-number.

The Custom Culinary® Gold Label sub-brand serves as the foundation for culinary-inspired menu execution. Gold Label products come in a variety of formats to give chefs the freedom to create signature dishes on their own terms.
